20 May 2024

Grain SA's 56th NAMPO Harvest Day, which was presented from 14-17 May 2024 on NAMPO Park just outside Bothaville, is considered a great success by all accounts. A record number of 86,474 v

"It is a great privilege for Grain SA to host NAMPO. The real success of NAMPO is about the close partnerships and collaborations we establish in the industry - such as producers who have stronger p
A new record attendance on a single day in a normal year was recorded this year on Wednesday, 15 May, with 25,505 visitors. Thursday's attendance was a short head behind the previous day with 24,0

"A noticeable calm prevailed at NAMPO Park throughout the week, and everything flowed as it should without any serious incidents on the park. We were blessed with a good NAMPO," said Dr Dirk Stry
Danie Minnaar, chairman of Grain SA's NAMPO Harvest Day Committee, says the feedback he has received from exhibitors is that they are very satisfied with the business conducted at NAMPO. He is e
The Minister of Agriculture, Land Reform and Rural Development, Thoko Didiza, paid a quick visit to NAMPO on Wednesday, May 15. As usual, Minister Didiza had a few key conversations with partners

NAMPO - A national asset

"NAMPO is a national asset in which the entire agricultural sector participates. It's a wonderful opportunity where leaders can rub shoulders and build relationships that will carry us through the next yr

"Producers must be focused all the time because there is little room to stumble. After a challenging production season and with a national election imminent, NAMPO helps create an atmosphere of o

"This year's NAMPO theme, *Agriculture in a digital era*, has come into its own, because agriculture is at a turning point of great things to come. I am amazed at what producers today have at their disp
